2022-2023 Health Syllabus 6th Grade Topics Aligned to the 2014 Standards

The Middle School Curriculum is designed to teach students the information and skills they need to become health literate, to maintain and improve health, prevent disease, and reduce health-related risk behaviors. Through this curriculum, students will develop critical thinking, problem solving, and communication skills. In addition, the students will demonstrate good character and behaviors that promote a safe, fit, and healthy family, community, nation, and world.
