

HTSD COVID REOPENING PHASES

PHASE I

FULL REMOTE

The entire school district or individual schools (based on COVID cases and NJ Department of Health guidelines) will be in full remote instruction. There will be no facility use for district events or outside organizations.

PHASE II

A/B/C HYBRID & REMOTE BY CHOICE

HTSD will use an A/B/C hybrid model and allow students to select full remote instruction. Minimal facility use for district events and outside organizations. Depending on COVID cases, HTSD might need to move back into Phase I as a district or for individual schools.

PHASE III

INCREASE IN-PERSON OPPORTUNITIES & REMOTE BY CHOICE

HTSD will increase in-person A/B/C cohorts of students based on academic, social, and emotional needs and allow students to select full remote instruction. Limited facility use for district events and outside organizations. Depending on COVID cases, HTSD might need to move back into Phase I as a district or for individual schools.

PHASE IV

A/B HYBRID & REMOTE BY CHOICE

HTSD will use an A/B hybrid model and allow students to select full remote instruction. Modified facility use for district events and outside organizations. Depending on COVID cases, HTSD might need to move back into Phase I as a district or for individual schools.

PHASE V

RETURN TO A REGULAR SCHEDULE

HTSD will return to a regular instructional schedule and day. There will be full facility use for district events and outside organizations.
