"Yardville Heights Huskies"

Mr. James Sterenczak  
Principal

Welcome to the Principal Post!

It is with great honor and excitement that I begin my fourth year in service to the staff, students, and community as the principal of Yardville Heights Elementary School. I look forward to working with each and every one of you as we showcase the students of our school.

My eleven years in the classroom, plus seven years serving as an administrator, have helped me develop strong background knowledge in the areas of early childhood and elementary education. Research shows that students perform better in school when there is a strong home/school connection. Therefore, my door is always open to parents if you have any questions, concerns, and/or need assistance throughout the school year. The staff at Yardville Heights is also willing to work closely with all stakeholders, so please make every effort to be a part of your child's education.

This year, our school theme is 'YHS Rocks!'. This theme demonstrates the need for the staff, students, parents, and stakeholders to work together to lay the educational foundation for our students, so they may become lifelong learners. Please make every effort to ensure that your child is NOT exhibiting any symptoms of COVID-19 before bringing your him/her to school daily, on time, and well rested. If he/she does exhibit symptoms, please keep him/her home for the safety of our staff and students. I also encourage that homework be completed daily and students come to school ready to learn. When in remote learning, please ensure that your child is logged into his/her classroom for the mini-lessons and completes all assignments, daily.

Lastly, I ask that all stakeholders of our school speak words of encouragement to our students on a daily basis. Our words of encouragement and daily affirmations will help our students know that they matter and that they can accomplish great things. Through every child who enters through the doors of Yardville Heights Elementary School, we will prove that YHS Rocks! .

James Sterenczak  
Principal  
Yardville Heights Elementary School

*The vision of Yardville Heights Elementary School is to create a positive school climate where students are able to achieve academic, social, and emotional growth. The relationships between staff, students, and parents are genuine. We believe that communication between home and school is essential. We are eager to work as a team to instill a sense of pride and provide the tools for students to become successful.*
