

Yardville Heights

Daily Routines

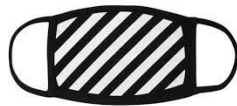

Social Distancing

Six feet of social distancing will be maintained. Smaller class sizes and fewer transitions will limit student contact. Signage will be used to promote healthy practices.

Masks

Students and staff will wear masks. Please send your child to school wearing a mask, and with one extra in case their mask is damaged or lost.

Visitors

There will be NO visitors in the building during the day. Visitors who are dropping off items can leave them in the box by the front door.

Visitor

Temperature Checks

Students and staff will have their temperatures checked daily. Students and staff should not come to school if they are sick.

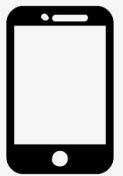

Hand Hygiene

Hand sanitizing stations have been installed in each classroom. Scheduled hand washing will happen during the day.

Late/Early Students

Park in front of the school by the flagpole and call the main office. Come to the front door and a staff member will meet you there.

Laptops

Be sure to charge students' laptops every single night, so they are charged and ready to be used in school.

Water Bottle

Students should bring their district provided water bottle, filled, to school every day as most water fountains will be closed.
