Quote of the Month

"The best inheritance a parent can give their children is their time each day." -Unknown

YHS Mission Statement

The vision of YHS is to create a positive school climate where students are able to achieve academic, social, and emotional growth. The relationships between staff, students, and parents are genuine. We believe that communication between home and school is essential. We are eager to work as a team to instill a sense of pride and provide the tools for students to become successful.

Did you know?

"Behind every young child who believes in himself is a parent who believed first."

-Matthew Jacobson

Principal's Letter

Dear Parents/Guardians,

Yardville Heights is focused on helping our students reach their highest potential in all areas of their lives. This includes their academics, but it also includes their citizenship and how our students treat one another. Last month we celebrated Kindness Week and our students made a conscious effort to be kind to one another. I'd like to continue our kindness for the remainder of the school year and for years to come. In order to do this, we are going to need the help of our parents/guardians. Please help us by being positive examples to our children in the area of kindness. Our staff will continue to show kindness to each other and our students during the school day and we hope that you will do the same at home. Together, we can make a difference for all students in this very important area of our lives.

James Sterenczak, Principal

YHS News

March is a busy time of year for our PTA! They are going to host our Penny Wars as well as Pictures with the Easter Bunny. Penny Wars is a great fundraiser for our school and the kids have a great time competing against each other. Which grade level will win?? Only time will tell!

Also, our Trimester 2 report cards will be available online to our parents/guardians. Please be sure to log into your account to view your child's progress as well as his/her teacher's comments. Staying up to date on the academic progress of your child through the viewing of the report card is essential to his/her growth.
