

Algebra 2 Extra Help

Attention all Algebra 2 Students,

Do you need extra help on a topic in Algebra 2? Do you need some additional practice questions? Do you need some feedback when completing homework?

If so, join Mr. Ellsworth every Tuesday and Wednesday from 2:30 - 3:30 pm for some extra help. You can stop by for just a few minutes, or stay the full hour. (Wednesday sessions will start on 12/2!)
